Respected Sir,

Namaskaram! Greetings from Mahatma Gandhi National Council of Rural Education (MGNCRE), Ministry of Human Resource Development, Department of Higher Education, Government of India!

In the context of Mahatma Gandhi 150th Birth Anniversary we are promoting Gandhiji's Nai Talim Experiential Education with dignity of labour in all schools in the country by celebrating National Nai Talim Week. We would be grateful if your office could advise the Department of School Education and the Department of Higher Education in your state to plan and undertake a week-long campaign of work based learning from 26.09.19 to 2. 10.19 or 2.10.19 to 8.10.19 as per their convenience to propagate *Nai Talim Gandhiji's Experiential Education with dignity of labour*. The activities could include:

1. Students visit to a farm and participation in agricultural operations along with their teachers.
2. Students participation in plantation, water conservation and cleanliness drives in the school or community.
3. Inviting craft and occupational representatives from the neighbourhood or organising practical experience at a demonstrative site and/or personal practice based session on any local trade or occupation.
4. Similar events may be organised during the period for DIET Trainees, B Ed Students and Lecturers.

The campaign could culminate or could be initiated with celebration of **2nd October as National Nai Talim Day** in all Schools and Higher Education Institutions in the country. This will give added impetus to the experiential learning process in the schools and teacher education institutions in the state.

We request to kindly oblige us by advising Universities, Education Department and SCERT to direct the schools and other educational institutions in their jurisdiction to take necessary action in promoting National Nai Talim Week in the context of Gandhiji's 150th Birth anniversary Celebrations on 2nd October 2019. Our Officer on Special Duty for 150th Birth Anniversary of Gandhiji **Mr. BSC Naveen Kumar (M: 7660802102/email: naveenmgncr@gmail.com)** is available for any academic inputs in this regard.

Thanking you.

With regards,

Yours sincerely,

Dr. W G Prasanna Kumar
