It is informed that the Colleges of Education have been already provided sufficient date for the submission of deficiency certificates of students from various universities. But still some of the colleges have failed to submit their student certificates which are pending from various universities.

In this regard, now it is stated that the last date for the submission of Original deficient certificates is further extended till **30.01.2024**. Hence all the Principals of Affiliated Colleges of Education are requested to submit their deficient certificates within **30.01.2024** without fail.

Yours faithfully,
