Notes:

It is submitted that, each candidate whose appearance in examination is approved by Tamil Nadu Teachers Education University after gaining 85% (i.e., 170 days) of attendance in every academic year, failing which they will not be permitted to appear for the Degree Examination.

However, as per the decision of the Syndicate of Tamil Nadu Teachers Education University in its meeting held on 10.08.2010 candidates who are able to gain attendance only upto 75% on medical ground, will be permitted to appear for the examination, after getting condonation of attendance, adhering to the norms of Tamil Nadu Teachers Education University.

The University has started receiving requests from the second year students who have not gained 75% of attendance to complete their studies. The matter is placed before the Board of Studies for M.Ed Programme for consideration.
