Date: 13.05.2019

The Tamil Nadu Teachers Education University does not compromise in student safety and security. The instructions and rules are listed out below which has to be followed by the staff, students while using chemistry laboratory. It is the duty of the lab assistant to follow the safety policy. This policy adopted from Government policy and guidelines.

LABORATORY SAFETY POLICY

- Know emergency exit routes.
- Avoid skin and eye contact with all chemicals.
- Minimize all chemical exposures.
- Assume that all chemicals of unknown toxicity are highly toxic.
- Avoid distracting or startling persons working in the laboratory.
- Use equipment only for its designated purpose.
- Avoid adding solids to hot liquids.
- All laboratory personnel should place emphasis on safety and chemical hygiene at all times.
- Never leave containers of chemicals open.
- Never consume and/or store food or beverages or apply cosmetics in areas where hazardous chemicals are used or stored.
- Wash exposed areas of the skin prior to leaving the laboratory.
- No contact lenses should be worn around hazardous chemicals – even when wearing safety glasses.
- Do not pour chemicals down drains. DO NOT utilize the sewer for chemical waste disposal.
- Access to laboratories and support areas such as stockrooms, specialized laboratories, etc. should be limited to approved personnel only.
- All equipment should be regularly inspected for wear or deterioration.
- Designated and well-marked waste storage locations are mandatory.
- No cell phone or ear phone usage in the active portion of the laboratories, or during experimental operations.
- Laboratory coats should not be stored in offices or break rooms as this spreads contaminants to other areas.
- Avoid wearing jewels in the lab as this can pose multiple safety hazards.
